Financial Concepts for Logisticians (CLIO-60-112)

Date: Wednesday, January 11, 2017

Time: 0800 to 1600

Location: Southern Maryland Higher Education Center (SMHEC), Bldg.1, Multi-Purpose Rm.

Instructor: Kathy Groat

Cost: No Cost

Prereqs: ACQ 101 (Fundamentals of Systems Acquisition Management) and LOG 101 (Acquisition Logistics Fundamentals); or DAWIA Level 1 certification preferred, if not, contact course administrator for permission.

Target Audience: Logisticians assigned to program teams and competency members

Course Description:

This course was developed to help a logistician understand their role in the funding of the Program they support as an Integrated Product Team (IPT) member. This course provides an overview of the acquisition life cycle and the funding to support each phase. The student will be introduced to the role AIR-6.0 plays in managing certain accounts. The goal of the course is for the logistician to be more confident in working with their Business Financial Manager (BFM) to support and defend their logistics funding requirements.
